Navigator 7 it's coming...

## Landing June 23.

OMS Navigator – always your best source for reliable information – is about to get even better.

- 1 Your gateway to information
- 2 Still familiar – but better
- 3 Redesigned by you, for you
- 4 Continue the journey

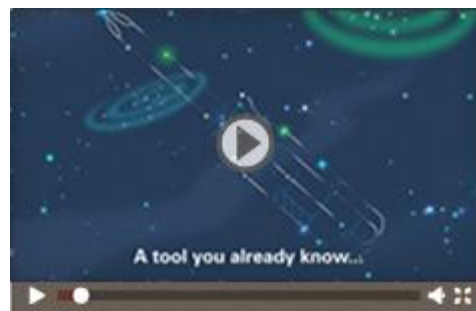

Your gateway to information

As you know, OMS Navigator is your access portal for all approved controlled documents.

It provides rapid access to the essential information you need to be **more effective**, more **secure** and **save time**.

Watch this short video about the new **Navigator 7**, lifting off this summer.

## Still familiar - but better

2

### The aspects you rely on are all still here.

- **Simple interface** – Your *launch pad* to essential information you need to do your job.
- **Search** – Browse all OMS sub-elements or search for a specific document.
- **MyOMS** – Add and access your favorite links from any computer on the BP network.
- **Common links** – Hand-picked links that are important to you and others like you (by location, Function, segment or Group).

## Redesigned by you, for you

3

### Your feedback has helped us to improve Navigator.

- **Faster performance** – Navigator is now more responsive than ever.
- **Improved personalization** – Answer a few simple questions, and Navigator delivers content targeted to YOU, more quickly and with better precision.
- **ATLAS integration** – We've joined forces with ATLAS so that when Administrators add content in ATLAS, it can be flagged to appear automatically in Navigator.
- **View content your way** – Whether you're a content creator or consumer, there is a view tailored to you.

## Continue the journey

## Let's keep moving forward.

One major way Navigator 7 will provide better information is by aligning with BP's functional model. If you are in Upstream, take a few minutes to enjoy an interactive experience while learning more about [how the Upstream segment is organized](#).

Join the conversation on the new [OMS Navigator Group](#)!

If you have not signed up for Yammer yet, all you need is a BP email address.
